

## Everything DiSC®

© 2012 Inscape Publishing, Inc.

Everything DiSC® is personal development tool to support development of communications, promote teamwork and understand behavioural differences. It measures individual's preferences and tendencies based on the DiSC® model and describes four basic styles: D, I, S and C. On completing the DiSC® profile you will receive personalised insights that will deepen your understanding of self and others, making workplace interactions more enjoyable and effective.

The result is a more engaged and collaborative workforce that can spark meaningful culture improvement in your organization.

Everything DiSC is part of the Wiley Family, fuelled by 200+ years of publishing excellence.

Simple but not simplistic

## Uses

Everything DiSC® is used for team building, employee communication, conflict management, relationship building, leading others. When you complete your profile, you will receive a comprehensive report. The personalised content in your report will

- Deepen self-understanding through the DiSC model
- Give you insights into your preferences and tendencies
- Help you to understand and appreciate the styles, preferences and tendencies of people you work with and how to relate to them
- Give you tips on how to communicate and persuade more effectively
- Highlight actionable strategies for overcoming challenges when working with people of a different preferred DiSC style to help you improve your interactions and ultimately your performance.
